Reed Carter - Data Engineer

reedandrew18@gmail.com • (609)-741-9934 • [Github: Reed-Carter](#) • [LinkedIn: Reed-Carter](#)

I am always seeking opportunities to leverage my expertise in data management, statistical analysis, and research to drive positive change in the world. Everything is 'figureoutable'

EXAMPLE PROJECTS

- Visit my personal website to see examples of my work. https://reeds-portfolio.com/

EDUCATION

Epicodus - *Data Engineering*

Portland, OR • Sep 2022 - Apr 2023

- Built a machine learning model which creates a 10-day weather forecast. Used Python, Google Cloud Platform (GCP), looker studio, airflow, pandas, and API's.
- Created an ETL pipeline which normalizes airline ticket information and uploads to a relational database. Used SQL, GCP, and Python.
- Built a robust ETL pipeline to compare climate data. Used python, SQL, GCP, and looker studio to create interactive dashboards.

UiT Norges Arktiske Universitet - *Masters of Science - Public Health*

Tromsø, Norway • Aug 2018 - May 2020

- Research focused degree culminating in a thesis which can be found here: [Teen mothers and the use of antenatal care services in Georgia 2017 – 2019: A cross-sectional study](#)

Stockton University - *Bachelor of Science - Biology*

Galloway, NJ • Sep 2012 - May 2016

EXPERIENCE

Data Engineer - *SignedPic*

Portland, Oregon, May 2023 - present

- Built and trained a machine Learning model to authenticate images
- Developed ETL pipelines using AWS to compile contacts for targeted marketing.
- Managed the companies CRM system and database to optimize performance and data integrity

Wilderness Expedition Specialist - *SouthEast Alaska Regional Health Consortium (SEARHC)*

Sitka, Alaska - Oct 2020 - Dec 2022 · 2 yrs 3 mos

- Lead 3-week long expeditions for teens who have a history of substance abuse and co-occurring disorders
- Conducted patient assessments and set therapeutic treatment goals
- Provided therapeutic services valued at an estimated $700,000 per year

Education Specialist - *The United States Peace Corps*

Kitandililo, Njombe, Tanzania - Jul 2016 - Jul 2018 · 2 yrs
